geelongaustralia.com.au/community/parking

Parking availability on campus can be limited, particularly at the start of Trimester 1. We encourage you to consider alternatives such as the intercampus shuttle bus and the BVAC park and ride service, public transport, cycling and carpooling. Visit:

deakin.edu.au/life-at-deakin/get-to-deakin

or

ptv.vic.gov.au.

To park on campus, you will require a parking permit. Please note that buying a permit allows you to park in defined zones but does not guarantee that a space will be available. Different permits apply in different areas so please follow the signs. Long term permits can be purchased from Deakin Central. Daily permits can be purchased using the PayByPhone parking app or from parking permit vending machines located in car parks. See  icon on map for parking permit vending machine locations.

For further parking information, please visit deakin.edu.au/parking
